

Teva-Everolimus Patient Care ProgramSM — Important Information You Should Know

You have been prescribed [®]Teva-Everolimus, and we are pleased to inform you that you are eligible to take advantage of the benefits of the Teva-Everolimus Patient Care ProgramSM. After you are enrolled in this program, a case manager will help you navigate insurance and provide you with the financial support options available for [®]Teva-Everolimus.

How do I enrol in the program?

Either your physician or pharmacist will complete the enrolment form and submit it to the Teva-Everolimus Patient Care ProgramSM. You also have the option of enrolling yourself by calling **1.877.445.6984 (Monday to Friday, 8 am - 8 pm EST)**.

They will require your name, date of birth, address, phone, email and private insurance coverage information.

Within one business day of receiving your enrolment form, a case manager from the Teva-Everolimus Patient Care ProgramSM will reach out to you with a welcome call to:

- Confirm information already provided
- Discuss insurance information and reimbursement navigation (what's covered, etc.)
- Confirm your pharmacy of choice to receive the medication.

What type of financial support is there?

A case manager will help determine the insurance coverage and reimbursement options for your [®]Teva-Everolimus prescription. They will:

- Ask for any outstanding information about private insurance/coverage information
- Contact insurance company(s) to collect coverage details
- Review coverage details with you
- Assess co-pay assistance
- Discuss out-of-pocket expenses and any concerns you may have

Enrolled patients can also receive **financial assistance for an alcohol-free corticosteroid oral solution**, administered as a mouthwash, to help manage some side effects.

How do I access more information about the program?
